LEARN TO PLAY HOCKEY

GYH Learn to Play is open to all youngsters who are 4 or older and know how to skate.

Equipment is necessary for this program and Griffin has a vendor who sells a beginners package.

Once a skater is deemed ready to play on a team by the coaches, the skater can move to our House League Mites program, for the remainder of the season, for no additional cost. Ice times will run concurrently with Learn to Skate on Saturday and Sunday mornings.
